

## **Off to Camp in a Truck**

Camp is a lot of fun, but you must pack well for it.

Bring a tent, a grill, and a big bag that you can fill with some nuts, chips, and cans of pop.

If you come in a truck, you can put the tent and the grill in back.

It helps to bring a soft mat for your tent too.

If you do not, you can end up with a stiff neck!
