

## What Are Cats Like?

**(Story words: like, adult)**

Cats are fun to have as pets. If a cat drops from a spot, it will twist or flip to land on its legs the best that it can.

Cats do not have a lot of trust, and they will scam from a sudden upset. For a cat, one big upset is a dog.

An adult cat can be fat or slim. If a cat is not an adult yet, it is a kitten.
