

LESSON 67

Review the material from the previous lessons using the sound-letter deck, the high-frequency word deck, and the dry-erase boards.

Make the sound with your student and have your student write the lowercase letters of this sound on a whiteboard three times while saying the sound. Create a flashcard for the sound-letter deck:

ay (which makes the long “a” sound, as in “pay”) and appears at the end of words

Words to read and write:

pay may say tray play gray day spray stray Sunday today delay runway payment hairspray stingray betray payoff essay relay okay display playmate halfway
--

Introduce the new high-frequency words you have written onto flashcards. Have the student write the high-frequency words three times while pronouncing the words:

every, everything, everyone¹

Have the student read:

Ned was a stray when we got him at two years old.

My dad said, “Quick! We have to train Ned so he will know how to play with kids and dogs.”

I like gray Sundays when everyone at my house gets to rest.

¹ **every**: **ev** is decodable; **er** will be decodable in Lesson 75; **y** making the long “e” sound will be decodable in Lesson 88; **thing** is decodable; “one” is an irregular word that has been previously taught

Have the student write from your dictation:

Meg said to Finn, "If I have to pay for everything that we are doing today, it is unfair."

A game of chess may take too long for everyone to play.

Sal takes the same train home every day.

Choose any of the stories in [Group 3 \(Open-and-Closed-Syllable Stories\)](#), [Group 2 \(Silent-E Stories\)](#) or [Group 1 \(Short-Syllable Stories\)](#) for a "triple read."
