

LESSON 100

Review the material from the previous lessons using the sound-letter deck, the high-frequency word deck, and the whiteboards.

Make the sound with your student and have your student write the lowercase letters of this sound on a whiteboard three times while saying the sound. Create a flashcard for the sound-letter deck:

aw (which makes the “ah” sound, as in “draw”)

Words to read and write:

Introduce the new high-frequency words you have written onto flashcards. Have the student write the high-frequency words three times while pronouncing the words:

“A million is one thousand times one thousand, and that is a huge number,” Dad explained.

Mom said, “Anything with tomatoes, garlic, and butter sounds yummy to me.”

Have the student write from your dictation:

Let’s draw straws for who gets the first milkshake.

A billion is bigger than a million, and a trillion is bigger than a billion, and a zillion is bigger than a trillion.
