

## LESSON 106

*Review the material from the previous lessons using the sound-letter deck, the high-frequency word deck, and the whiteboards.*

Make the sound with your student:

**a** (which makes the “uh” sound in “panda” and “away”)

Explain that **a** as a first or final open syllable makes the “uh” sound.

*Words to read and write:*

<b>approach astray agreed around about ago apartment adores Florida Atlanta awake</b>
---

*Introduce the new high-frequency words you have written onto flashcards. Have the student write the high-frequency words three times while pronouncing the words:*

**sugar, dessert<sup>1</sup>**

*Have the student read:*

**In the middle of the night, Dr. Rona was awakened by a phone call. It was her turn to be on call at the clinic.**

**Bill often walks along the seashore hoping to spy a walrus.**

**Dr. Rona admits that she loves desserts, but she reminds us to watch the total sugar we consume and to cut down on sugar when we can.**

---

<sup>1</sup> **sugar**: **su** makes the “shu” sound is irregular in these lessons but occurs in other words like “sure” and “insurance”); **gar** is pronounced “gir” and is decodable (like “collar” and “dollar”)

**dessert**: “dessert” is spelled with an extra **s** (to distinguish it from the verb “desert” meaning abandon); **de** is unaccented and pronounced with the schwa sound “duh”; **ssert** is pronounced “zert”

*Have the student write from your dictation:*

Coca-Cola is Wanda's favorite soda drink by far.

Wanda will skip dessert to have Coke with dinner.

Amanda plays the tuba and has to buy an extra seat for it on the train.

Bringing her tuba to Florida was too expensive this time.

*Choose any of the stories in [Group 9 \(Soft "c" and "g" Stories\)](#), [Group 8 \("Y" as a Vowel Stories\)](#), [Group 7 \(Consonant-le Stories\)](#), or [Group 6 \(Snow, Cow, Cloud Stories\)](#) for a "triple read."*
