LESSON 11

Review the material from the previous lessons using the sound-letter deck, the high-frequency word deck, and the dry-erase boards.

New material:

S/s (as in "sit")

- Make the sound with your student
- Have the student write the lowercase letter on a dry-erase board three times while saying the sound
- Make a flashcard for your sound/letter deck
Warm Up With Sound Play:

Say, "'s' is another consonant sound that we find at the beginning, middle, and end of words. Let's brainstorm a list of words that begin with the 's' sound."

Examples: sandal, sick, sack, sister, sting, snow, stop, sandwich, something, somewhere, soft, sorry, sitting, standing, sorting, stuff, sale

Say, "Let's brainstorm some words that end with the 's' sound."

Examples: gas, mess, kiss, fuss, pass, bus, face, rice, mouse, house, mice, fence

Or, brainstorm by taking turns drawing pictures:

(Words with "s" as in "sit"
Row 1: scissors, sailing, soap Row 2: socks, stop, sunglasses)

Continue to Warm Up With Sound Play:

"Now, let's find and count all the sounds that are in the word 'spin.'"

(s---p---i---n) 4

"Now, let's find and count all the sounds in 'make.'"

(m---a---k) 3

"Now, let's find and count all the sounds in 'flame.'"

(f---l---a---m) 4

Words to read and write:

sip sap Sam Sal sim

Introduce the new high-frequency word you have written onto a flashcard. Have the student write the high-frequency word three times while pronouncing the word:

was[1]

Have the student read:

Sal <u>will</u> <u>have</u> <u>to</u> sit in <u>my</u> lap.

Sam <u>said</u>, "<u>The</u> ham <u>was</u> <u>for</u> <u>my</u> cat."

Have the student write from your dictation:

<u>Will</u> Sal <u>and</u> Sid fit in <u>the</u> pit?

<u>The</u> <u>good</u> jam <u>was</u> <u>for</u> Mac.

<u>Will</u> Sam nab <u>the</u> <u>good</u> ham <u>for</u> <u>the</u> cat?

Have the student do a "triple read" of some of the sentences above.
